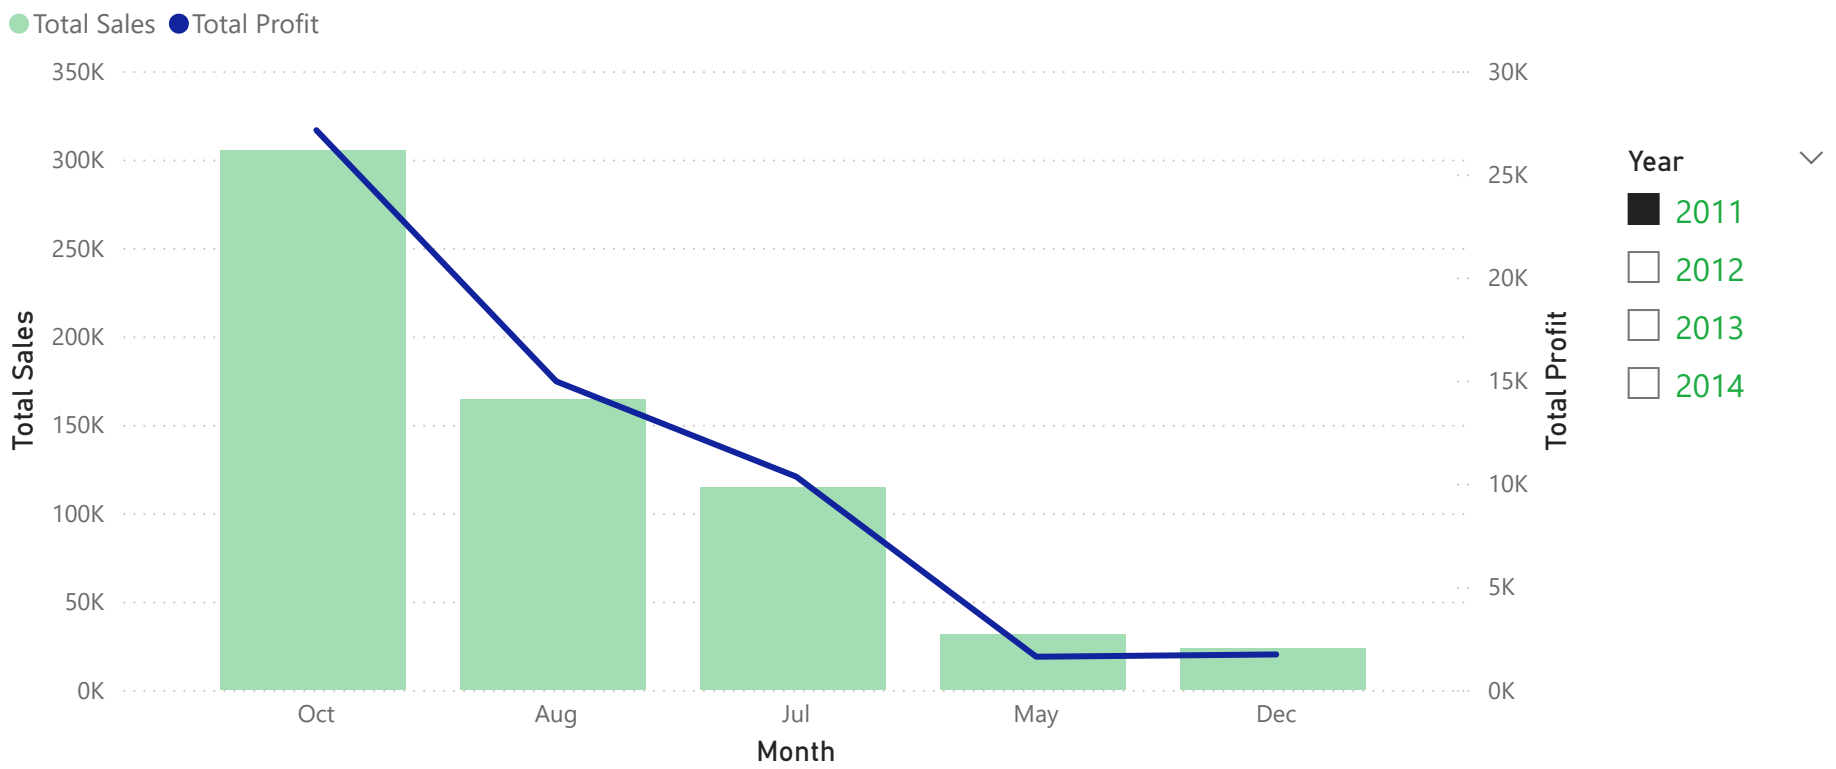
Total Sales and Total Profit by Month



- **Bikes contribute the majority of revenue (~₹9.4 Cr) but margins are moderate, indicating strong demand but limited profit**
- **Despite lower sales (~₹13 Lakhs), Accessories generate strong profits (~₹12 Lakhs) and have the highest sales growth (3.84%).**
- **Clothing accounts for only ~₹21.2L in sales but shows 1.05% growth, driven mainly by jerseys and shorts.**
- **Components generate high-value orders (~₹1.18Cr sales) from a comparatively small customer base (580 customers).**
- **Road Frames, Mountain Frames, and all Bike types consistently appear in top-selling products and should be prioritized.**
- **Total sales stand at ~₹10.99Cr with 0.69% growth, indicating the need to focus on margin-improving categories and streamline weak performers.**
